*"Broker's of good quality new and second-hand narrow boats."*

**REF: 10565**

**Boat Name: Elapsed Time**

Elapsed Time is a 67-foot traditional stern narrow boat built by Delph Marine in 1995. She is powered by a Lister LPW 36hp engine. Unusually this boat has both a bowthruster and stern thruster tubes fitted. Layout from the front well deck comprises of spacious saloon with Morso Squirrel solid fuel stove, fully fitted galley with stainless steel sink/drain, full sized gas cooker, Inland fridge with freezer compartment and ample storage/worktop space. Following this is the shower room with Mansfield Traveller pump-out toilet, full sized shower and wash basin. Beyond this is the main double bedroom with full height wardrobe and double bed. The rear cabins have been stripped out and are suitable for conversion to additional bedrooms, workshop space or indeed converted for use as a trading boat (side door fitted on the port side). Elapsed Time has a current Boat Safety Certificate until November 2024. Please note that this boat is a project boat and needs finishing off – therefore some items are not plumbed (ie. Wash basin in the bathroom) and the boat has been priced accordingly.

**£29,999.00.**

### **BOAT SPECIFICATION**

Hull manufactured by:	Delph Marine.
Fitted out by:	Unknown.
Outstanding finance/mortgage:	None.
Type of stern:	Traditional.
Year built:	1995.
Length:	67ft.
Width:	6ft 10in.
Draft:	2ft 3in.
Base plate:	Flat.

### **ENGINE SPECIFICATION**

Engine make:	Lister LPW 36hp.
